

END-USER LICENSE AGREEMENT

This License Agreement (“License Agreement”) is a legal agreement between you (“Licensee”) and the PRO_lib licensor (“Licensor”). By downloading or using the PRO_lib software (“Software”), you acknowledge and agree that you have read, understood and agreed to this License Agreement and that this License Agreement is enforceable like any written negotiated agreement signed by you. The PRO_lib Software is licensed, not sold, to you by the Licensor for use only under the terms of this License Agreement, and the Licensor reserves all rights not expressly granted to you.

GRANT OF LICENSE

- a. Subject to the other terms of this License Agreement, you are granted a revocable, nontransferable, non-exclusive License (“Evaluation License” or “Perpetual License”) to download, install and use the PRO_lib Software under the terms stated in this License Agreement. The rights granted herein are limited to the use of the PRO_lib Software in accordance with this License Agreement, and do not include any rights in any patents or other intellectual property rights of the Licensor.
- b. The PRO_lib Software is a closed source software that is distributed to the Licensee as a bundle of compiled software files. The source code of the PRO_lib Software is not shared with the Licensee.
- c. Except as and only to the extent expressly permitted in this License Agreement or by applicable law, you may not copy, de-compile, re-compile, reverse engineer, disassemble, attempt to derive the source code of, modify, or create derivative works or translations of the PRO_lib Software.
- d. You may not assign, distribute, lease, rent, lend, sublicense, or transfer your License to the PRO_lib Software, or disclose the PRO_lib Software to any other person or entity, or otherwise offer access to or use of the PRO_lib Software via the internet or via any other network which is available to or accessible by third parties. Any attempt to do so is a violation of the rights of the Licensor. If you breach this restriction, you may be subject to prosecution and damages. You agree to reasonably cooperate with the Licensor in inquiries by the Licensor regarding your downloading of the PRO_lib Software.
- e. In order to get an Evaluation License (see paragraph f) or to purchase a Perpetual License (see paragraph g), you have to register as a licensee at the PRO_lib webpage with your name, address and email address. In addition, as every License is bound to a specific personal computer that is identified by its BIOS serial number, you need to provide the BIOS serial number of the personal computer on which you intend to use the PRO_lib Software. After finishing the registration and accepting all the terms and conditions of using the PRO_lib Software as stated in this License Agreement, you are allowed to download the PRO_lib Software. Based on the BIOS serial number provided, the Licensor generates a License file for your computer and sends this file to you by email. To run the PRO_lib Software, you are required to place this License file in the PRO_lib Software folder on your computer. Please be aware that it is at the sole discretion of the Licensor to grant you an Evaluation License or a Perpetual License.
- f. The Evaluation License is free of charge. It allows you to verify that the PRO_lib Software runs on your personal computer and meets your requirements. The Evaluation License offers all the

features of the PRO_lib Software but expires thirty (30) days after its generation. After the expiration, you are not entitled to get a new Evaluation License for the same computer. You understand that the Evaluation License of the PRO_lib Software is for the purpose of internal demonstration and evaluation, and not for production or commercial purposes. You shall report to the Licensor any malfunctions, bugs, errors or functional deficiencies in the PRO_lib Software ("Program Deficiencies") detected while evaluating the Software. After the Evaluation License expired and/or you wish using the PRO_lib Software, you may purchase a Perpetual License.

g. The Perpetual License is a one-time purchase license. After purchasing a Perpetual License for your personal computer that is identified by its BIOS serial number, you are allowed to use the PRO_lib Software on this computer for as long as the computer is able to run the Software. You are entitled to install and use any updates (if available) of the PRO_lib Software on this computer free of charge for as long as the computer is able to run the Software.

h. You are strongly recommended to do all the necessary testing of the PRO_lib Software based on the Evaluation License. There is no money-back guarantee granted with the purchase of a Perpetual License. After the purchase, you have no right to claim for refund of the License costs.

i. Any Evaluation and Perpetual License expires automatically when the related personal computer, for whatever reason, is no longer able to run the PRO_lib Software. When you intent to use the PRO_lib Software on another personal computer, you have to get a new License for this computer. You may ask the Licensor for an Evaluation License to make sure the PRO_lib Software works on this new personal computer.

j. Only if your computer running the PRO_lib Software permanently fails within three (3) months of the date of purchase of the Perpetual License, you may ask the Licensor for a replacement License free of charge. It is at the sole discretion of the Licensor to grant a new Perpetual License free of charge or to refund the License cost. Typically, a free of charge replacement License is granted only once. The replacement License may not be used to run the PRO_lib Software on a second computer with the first computer still operational, even if the Software is not used on both computers at the same time. If you want to use the PRO_lib Software on several computers, you have to purchase a separate License for each individual computer.

k. This License Agreement expires simultaneously with the expiration of the License, unless sooner terminated by the Licensor. The License terminates, without notice, if you fail to comply with any provision of this License Agreement. The termination of this License Agreement will not limit any of the Licensor's rights or remedies at law or in equity in case of breach by you during the term of this License Agreement of any of your obligations under the present License Agreement.

l. Upon expiration or termination of the License, you agree to destroy the PRO_lib Software, together with all copies, modifications and merged portions in any form, including any copy in your computer memory or on a hard disk.

m. You may provide suggestions, observations, feedback, commentary, recommended use cases or other statements (collectively, the "Feedback") to the Licensor concerning the PRO_lib software. You agree that any Feedback shall be given on an entirely voluntary basis and will not, absent a separate agreement, create any confidentiality obligation for the Licensor. In no event shall Feedback be considered your confidential Information. If you encounter any Program Deficiencies, you shall report such instances to the Licensor; and the Licensor shall be free to disclose and use your Feedback and the contents of your reports of Program Deficiencies, without any obligation of any kind to you.

NO WARRANTIES AND LIMITATION OF LIABILITY

THE LICENSOR PROVIDES THE PRO_LIB SOFTWARE ON AN "AS IS" BASIS WITHOUT WARRANTY OF ANY KIND. NO WARRANTIES ARE EXPRESSED AND NONE SHALL BE IMPLIED. THE LICENSOR SPECIFICALLY EXCLUDES ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY THE LICENSOR SHALL CREATE A WARRANTY. THE LICENSOR DOES NOT WARRANT THE ACCURACY OR THE APPLICABILITY OF THE RESULTS OBTAINED FROM THE USE OF THE PRO_LIB SOFTWARE. YOU UNDERSTAND AND ACCEPT THAT THERE ARE LIKELY PROGRAM DEFICIENCIES IN THE PRO_LIB SOFTWARE AND THAT THE OCCURRENCE OF SUCH DEFICIENCIES IS INHERENT IN THE TECHNOLOGY EXPLORATION RELATIONSHIP ESTABLISHED HEREUNDER. SHOULD THE PRO_LIB SOFTWARE PROVE DEFICIENT, YOU ASSUME THE ENTIRE COST OF ALL NECESSARY SERVICING, REPAIR OR CORRECTION. NO REFUNDS SHALL BE GIVEN FOR USE OF THE PRO_LIB SOFTWARE. IN NO EVENT SHALL THE LICENSOR'S LIABILITY TO YOU FOR DAMAGES HEREUNDER FOR ANY CAUSE WHATSOEVER EXCEED THE AMOUNT PAID BY YOU FOR USE OF THE PRO_LIB SOFTWARE. TO THE EXTENT NOT PROHIBITED BY LAW, IN NO EVENT SHALL THE LICENSOR BE LIABLE FOR PERSONAL INJURY, OR ANY INCIDENTAL, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES WHATSOEVER, INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS, LOSS OF DATA, BUSINESS INTERRUPTION OR ANY OTHER COMMERCIAL DAMAGES OR LOSSES, ARISING OUT OF OR RELATED TO THE USE OR INABILITY TO USE THE PRO_LIB SOFTWARE, HOWEVER CAUSED, REGARDLESS OF THE THEORY OF LIABILITY (CONTRACT, TORT OR OTHERWISE) AND EVEN IF THE LICENSOR KNOWS, HAS REASON TO KNOW OR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE LICENSOR DOES NOT WARRANT THAT THE PRO_LIB SOFTWARE, ITS SERVERS, THE CONTENT, OR E-MAILS SENT FROM OR ON BEHALF OF THE LICENSOR ARE FREE OF VIRUSES, SCRIPTS, TROJAN HORSES, WORMS, MALWARE, TIMEBOMBS OR OTHER HARMFUL COMPONENTS. THE PRO_LIB SOFTWARE IS NOT INTENDED FOR USE IN FACILITIES, SYSTEMS, MACHINES, DEVICES OR OTHER EQUIPMENT IN WHICH THE FAILURE OF THE PRO_LIB SOFTWARE COULD LEAD TO DEATH, PERSONAL INJURY, OR SEVERE PHYSICAL OR ENVIRONMENTAL DAMAGE. SOME JURISDICTIONS MAY NOT ALLOW THE EXCLUSION OF CERTAIN TYPES OF WARRANTIES OR LIMITATIONS ON APPLICABLE STATUTORY RIGHTS OF A CONSUMER, SO SOME OR ALL OF THE ABOVE EXCLUSIONS AND LIMITATIONS MAY NOT APPLY TO YOU. IN SUCH A CASE THE EXCLUSIONS AND LIMITATIONS SET FORTH IN THIS SECTION SHALL BE APPLIED TO THE GREATEST EXTENT ENFORCEABLE UNDER APPLICABLE LAW. TO THE EXTENT ANY WARRANTY EXISTS UNDER LAW THAT CANNOT BE DISCLAIMED, THE LICENSOR SHALL BE SOLELY RESPONSIBLE FOR SUCH WARRANTY.

GOVERNING LAW

The laws of Switzerland, excluding its conflicts of law rules, shall govern this License Agreement and your use of the PRO_lib Software. Your use of the PRO_lib Software may also be subject to other local, state, national, or international laws.

EXPORT CONTROL

You may not use or otherwise export or re-export the PRO_lib Software except as authorized by applicable Swiss law. In particular, but without limitation, the PRO_lib Software may not be exported or re-exported (a) into any embargoed countries or (b) to anyone on a governmental agency's list of persons to whom export is restricted. By using the PRO_lib Software, you represent and warrant that you are not located in any such country or on any such list. You also agree that you will not use the PRO_lib Software for any purposes prohibited by applicable law, including, without limitation, the development, design, manufacture or production of missiles, nuclear, chemical or biological weapons.

SEVERABILITY AND WAIVER

If any provision of this License Agreement is held to be unenforceable or invalid, such provision will be changed and interpreted to accomplish the objectives of such provision to the greatest extent possible under applicable law and the remaining provisions will continue in full force and effect.

Except as provided herein, the failure to exercise a right or to require performance of an obligation under this License Agreement shall not affect a party's ability to exercise such right or require such performance at any time thereafter nor shall the waiver of a breach constitute a waiver of any subsequent breach.

CHANGES TO THIS LICENSE AGREEMENT

The Licensor reserves the right, at its sole discretion, to terminate, modify or replace this License Agreement at any time. If a revision is material it will provide at least 30 days' notice prior to any new terms taking effect. What constitutes a material change will be determined at the sole discretion of the Licensor. By continuing to access or use the PRO_lib Software after any revisions become effective, you agree to be bound by the revised terms. If you do not agree to the new terms, you are no longer authorized to use the PRO_lib Software.

ENTIRE LICENSE AGREEMENT

This License Agreement constitutes the entire agreement between the parties with respect to the use of the PRO_lib Software licensed hereunder and supersedes all prior and contemporaneous written or oral agreements between you and the Licensor. Any translation of this License Agreement is done for local requirements. In the event of a dispute between the English and any non-English versions, the English version of this License Agreement shall govern.

CONTACT

For questions regarding this License Agreement, claims or complaints about the PRO_lib Software, please contact the Licensor at info@pro-lib-optics.com.
